

# Glasdon Jubilee™ 80G

A new addition to the Glasdon Jubilee Range

## Large capacity to suit high foot traffic environments and reduce collection costs:

- Houses a 64 gallon wheeled liner or 79 gallon bag holder system to collect more trash and reduce the frequency of waste collections.

## Improve operator safety:

- Mechanical emptying reduces manual handling issues. New recessed lifting handle for safer opening with slam shut action.

## Increase correct disposal:

- Traditional appearance and choice of easily identifiable decals along with four apertures makes it attractive and easy to use for the general public.

## Reduce maintenance costs:

- Manufactured from recyclable Durapol™ material for a long service life. It will not chip or rust, is easy to clean and the unique ribbed design deters flyposting. Unique 3 point interlocking system ensures the wheeled liner is secure.

## Co-ordinate with existing products:

- Glasdon Jubilee 80G joins the existing Glasdon Jubilee 29G trash can and recycling bin range. (See back page for details.)

# Glasdon Jubilee 80G

The new Glasdon Jubilee 80G trash can is the perfect solution for trash hotspots in parks, rest areas and tourist locations.
