

PET WASTE STATIONS

RETRIEVER CITY™ PET WASTE STATION

Retriever City pet waste station offers an integrated bag dispenser and chute system within one pet waste unit. Retriever City requires minimal maintenance and is the ideal pet waste station for keeping sidewalks clean in urban areas, public spaces and bark parks.

Unique Bag Dispenser

- Dispenses one bag at a time.
- Compatible with different sized bags.
- Easy to refill.
- Supplied with pack of 250 bags.

Front opening chute with side handles

- Provides a quick and hygienic operation.
- Prevents access to the contents of the pet waste station after it has been deposited.

FIDO™ PET WASTE STATION

Fido pet waste station has a Durapol™ self-returning lid and a molded plastic liner, which is removable for cleaning and disinfecting. An easy to use bag dispenser is also available which attaches to the side of the unit.

- Lid shuts automatically after use to provide extra weather resistance.
- Removable liner for cleaning and disinfecting.
- Heavy duty bags can be supplied for 'double protection' when emptying.
- Easy to use bag dispenser is available as an optional extra.

PERSONALIZATION & BRANDING

If you would like to adapt a standard option by changing decal colors and waste streams or to include an element of branding, or perhaps you would like to create something completely unique, we can help. Our Sales team will be happy to learn more about your project and requirements. We will work with you to achieve the finish you require.

Free Visualization Service

Our sales team will then liaise with our in-house graphics team to prepare a visual of the product with your chosen personalization, of which you're able to review and make changes to if required.

This is a free service offered to all Glasdon customers.

When you have finished with this leaflet please recycle it
