

Glasdon Jubilee™ Trash Can

GLASDON JUBILEE™

Glasdon Jubilee 29G Trash Can offers a host of unique features. The hooded design is accessible from all four sides, with a domed hood that prevents trash being piled on top. The tough door has a strong lock that opens with a key and locks automatically when the door is closed. The traditionally-designed and extremely durable unit is also available as a range of recycling containers.

Design Features

- Domed hood.
- Four apertures.
- Anti-flyposting finish.
- Robust interlocking slam shut door.
- Concealed knuckle hinge.
- Keyed lock.
- Liner tray/bait box area.
- Choice of metal or molded plastic liner.
- Decal and banding in gold or silver.

Optional Extras

- Poster frame kit.
- Liner elastic bag holder.
- Personalization.

 Depth: 22"
 Weight: 57lbs

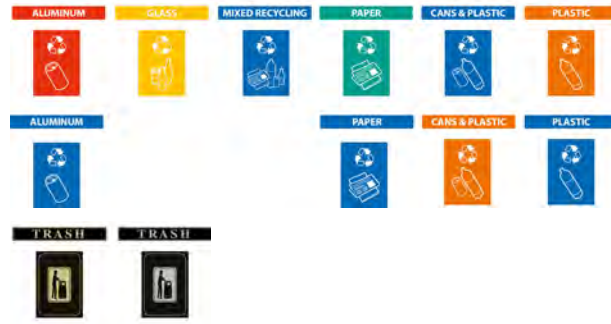

Materials

Body & door: Durapol™.
 Liner: Mild steel.
 Molded plastic liner: Durapol.

Standard Color Options

Standard Graphic Options

Unique Locking Mechanism with a 3 Point Interlocking Door

- A unique lift and lock mechanism engages the door with the body at three separate points, to provide a highly secure, vandal resistant locking system.
- The door rises and self returns to the locked position, therefore will not accidentally fall open after the operator closes it.
- Locks are corrosion-free as they do not incorporate any metal components.

Recessed Lifting Handle

The recessed lifting handle is at an operator friendly height and is suitable for use with a gloved hand. To open, simply turn the key and use the recessed lifting handle to lift the door.

Personalization Options

A personalization area is provided on all four faces of the bin to display a self-adhesive vinyl or polycarbonate plaque containing your logo, crest or message. This area is recessed to prevent vandalism.

The Glasdon Jubilee trash can can also be supplied with optional polycarbonate poster frame which will hold laminated posters. As posters can be easily changed from inside the bin, this is a cost-effective way of promoting the latest in store offers.

A5 Personalization

A4 Poster Kit

Optional Sack Retention

An elastic sack retention belt securely holds the sack inside the steel liner. Easy and quick to use.

GUIDE TO PERSONALIZATION & BRANDING

Personalizing our products is a popular choice among our customers and adds that personal touch to your waste management and recycling program. It is also an effective way of communicating your waste reduction messages and enhancing your facility.

Our experienced sales team will advise you on the personalization options of your chosen product.

We can also send you examples of some of our tried and tested visuals for a little inspiration.

Step 1. Choose from a wide range of products and personalization options including:

Branding, corporate color schemes, bespoke waste streams, campaign messaging and changeable poster kits.

Step 2. Selecting Standard Options

Many of our products offer standard decals and poster kits to choose from at the point of ordering. Simply select from the drop down menu the option you require on our website or contact our sales office for more information.

Step 3. Looking for Something Different?

If you would like to adapt a standard option by changing decal colors and waste streams or to include an element of branding, or perhaps you would like to create something completely unique, we can help. Our Sales team will be happy to learn more about your project and requirements. We will work with you to achieve the finish you require.

Step 4. Free Visualization Service

Our sales team will then liaise with our in-house graphics team to prepare a visual of the product with your chosen personalization, of which you're able to review and make changes to if required.

This is a free service offered to all Glasdon customers.

Step 5. Artwork Approval

We are committed to making sure the end result is exactly right for you. So when you are completely happy with the visual and have agreed any of the additional production costs, we will finalize and deliver your personalized order.

Helping you create impact, extend your brand and add value for your customers and visitors.

CANYON™ TRASH CAN

The Canyon is a 50 gallon trash can that has been specially designed for busy, public spaces. The trash can's large capacity helps to reduce the need for frequent emptying and the large open topped design makes depositing trash easy for passing users. The unique ribbed surface of the trash can provides an anti-fly posting finish, minimizing the risk of posters being adhered to the unit.
