TRASH CANS

The Glasdon range of outdoor and indoor trash cans are designed in a choice of sizes, colors and styles, providing waste management solutions that will complement any location. Constructed from durable materials, these trash cans include low-maintenance plastic trash cans and robust metal trash containers, designed to resist the effects of adverse weather conditions, corrosion and vandalism.

PET WASTE STATIONS

Our selection of pet waste stations are popular for use in parks, on sidewalks and in bark parks. The clear decals help to encourage people to dispose of their dog poop correctly and the contemporary design of our dog waste units means that they complement existing landscapes easily.

2. Fido™ Pet Waste Station

CIGARETTE RECEPTACLES

Glasdon design and produce a range of cigarette units that can be situated in outdoor smoking areas, outside buildings, parks and sidewalks. Within our range of cigarette waste containers, there are units that can be wall mounted as well as free standing. Having a cigarette unit mounted to a wall takes up very little space making it perfect for narrow footed areas. Help to reduce the cost of cleaning up cigarette butt litter for your organization by installing a cigarette ash receptacle.

SMOKING SHELTERS

Glasdon supplies a range of outdoor smoking shelters and canopies, which can either be wall mounted or free standing. These outdoor shelters are ideal for creating a designated smoking area to help keep the rest of your site smoke-free. These smoking shelters and canopies can be combined with our cigarette bins to create a smoking station.

OUTDOOR RECYCLING CONTAINERS

We supply an extensive range of outdoor recycling containers, ideal for collecting various waste streams in exterior environments. The resilience and durability of our outdoor recycling bins means that they are able to withstand adverse weather conditions as well as being corrosion, rust and chip resistant.

INDOOR RECYCLING CONTAINERS

Our indoor recycling bins are available in a variety of styles, streams and capacities to make creating a recycling station as easy as possible. Many of our customers choose to personalize their products with their logo, colors and slogans. We can even customize your recycling bins to create bespoke waste streams to suit your recycling program.

SIDEWALK SIGNS

Display your posters in style with this extremely robust, low maintenance, easy to use unit. Posters can be easily changed when required. The Advocate™ sidewalk poster stand is made for use indoors and outdoors, and has been tested to hurricane force winds. Also available as a wall mounted poster display sign.

LIFE RING CABINETS

Every Glasdon Guardian™ life ring cabinet has been designed to be both highly visible and resilient whilst protecting your important life-saving equipment. Our life ring holders are ideal for any area in which large amounts of water pose a danger such as harbors, beaches, lakefronts, swimming pools and water treatment plants.

You can be sure that a Glasdon life ring cabinet has been rigorously tested to provide peace of mind and provide a long service life, even in adverse weather. Don't forget you can also personalize your life ring cabinet with your organization's logo and life-saving instructions.

GUIDE TO PERSONALIZATION & BRANDING

Personalizing our products is a popular choice among our customers and adds that personal touch to your waste management and recycling program. It is also an effective way of communicating your waste reduction messages and enhancing your facility.

Our experienced sales team will advise you on the personalization options of your chosen product.

We can also send you examples of some of our tried and tested visuals for a little inspiration.

Step 1. Choose from a wide range of products and personalization options including:

Branding, corporate color schemes, bespoke waste streams, campaign messaging and changeable poster kits.

Step 2. Selecting Standard Options

Many of our products offer standard decals and poster kits to choose from at the point of ordering. Simply select from the drop down menu the option you require on our website or contact our sales office for more information.

Step 3. Looking for Something Different?

If you would like to adapt a standard option by changing decal colors and waste streams or to include an element of branding, or perhaps you would like to create something completely unique, we can help. Our Sales team will be happy to learn more about your project and requirements. We will work with you to achieve the finish you require.

Step 4. Free Visualization Service

Our sales team will then liaise with our in-house graphics team to prepare a visual of the product with your chosen personalization, of which you're able to review and make changes to if required.

This is a free service offered to all Glasdon customers.

Step 5. Artwork Approval

We are committed to making sure the end result is exactly right for you. So when you are completely happy with the visual and have agreed any of the additional production costs, we will finalize and deliver your personalized order.

Helping you create impact, extend your brand and add value for your customers and visitors.

BOLLARDS

The Glasdon Infomaster™ bollard is useful for adding signage which is great for helping to identify parking restrictions on roads and in parking bays. This bollard is built to be low-maintenance, robust and to withstand adverse weather conditions. The signage bollard is easy to install as well as simple to re-move and relocate.
