Which Glasdon Jubilee™ Trash Can is the Perfect Fit for Your Environment?

When it comes to disposing of trash, we appreciate that different locations have different needs. Whether you require a larger capacity outdoor trash can for areas with high volumes of waste, or a more streamlined option for areas where space is a little more limited, Glasdon Jubilee Trash Cans provide an all-round solution.

Choose from the XL Glasdon Jubilee 80G, or the more compact Glasdon Jubilee 29G

If you're looking for a large capacity, polymer waste container, which has been specially designed for areas with high numbers of footfall traffic and trash hotspots, choose the Glasdon Jubilee 80G Trash Can.

If you're looking for a slightly more compact trash can which still provides a durable, easy-to-maintain exterior, alongside a traditional yet contemporary design, choose the Glasdon Jubilee 29G Trash Can.

The Glasdon Jubilee 29 Gallon Trash Can still offers all the impressive attributes of the 80G version, just on a more refined scale.
