A traditionally designed aesthetically pleasing trash can. Glasdon Jubilee offers exceptional features. A hidden lift and lock mechanism engages in a 3 point interlocking slam shut door. The unique ribbed design deters fly-posting and graffiti.

Unique Locking Mechanism with a 3 Point Interlocking Door
• Glasdon Jubilee trash can is easy to use, with a slam lock operation.
• A unique lift and lock mechanism engages the door with the trash can body at three separate points to provide a highly secure, vandal resistant locking system.
• The door rises and self returns to the locked position, therefore will not accidentally fall open after the operator closes it.
• Locks are corrosion-free as they do not incorporate any metal components.
**Deters Fly-Posting and Graffiti**
- Integrally molded ridges discourage the adherence of posters and graffiti.
- The ridges will allow air and water to get behind the poster and compromise the adhesive, should a poster be attached to the trash can.

**Durable Construction**
The Glasdon Jubilee trash can is manufactured in self-colored Durapol™ material. Durapol is weather and vandal resistant, will not chip or rust and never needs painting.

**Emptying**
1. Turn key
2. Lift the door
3. Swing open to remove liner then slam shut to lock

**2 Standard Colors Available**
- Standard colors are recyclable after the trash can’s usable life.
- Other non-standard colors are also available.

**Graphic Options**
Choice of Gold or Silver Trash-it Graphics x 4 (one for each side).

**Fixing Options**
- Internal Concrete Ballast.
- Ground-Lock™ System.
- Ground Fixing Bolts.
- Concrete-in Anchor (adjustable depth).

**Materials**
- Body & door: Durapol.
- Metal liner: Mild steel.
- Molded plastic liner: Polyethylene.

**Dimensions**
- Container volume: 34 gallons
- Liner capacity: 29 gallons
- Height: 46”
- Width: 24”
- Depth: 22”
- Weight: 57lbs

**Colors**
- Standard colors: Black, Gray.
- Non standard colors: Millstone, Dark Blue, Deep Green.

**Recessed Lifting Handle**
The recessed lifting handle is at an operator friendly height and is suitable for use with a gloved hand. To open simply turn the key and use the recessed lifting handle to lift the door.
Design Features

1. Concealed Knuckle Hinge
   Strong and durable with a flush external finish.

2. Extremely Robust Double Skinned Door
   • The vandal resistant door molding is exceptionally strong and robust.
   • The large door-opening design allows easy access to the liner and ground fixings.
   • Contains no metal components, so will not rust.

3. 29 Gallon Steel or Molded Plastic Liner
   The large capacity liner reduces the need for frequent emptying, and incorporates operator friendly handles for ease of use.

4. Domed Hood
   Strong and robust to prevent trash being placed on the top of the trash can and to deter rain pooling.

5. Chamfered Apertures with Extended Ledges
   • The aperture shelves are chamfered to prevent trash being left on the container surfaces and falling onto the surrounding area.
   • The aperture ledges extend over the liner, which ensures trash always enters the liner and prevents spillage between the liner and the trash can.
6. Banding Recess (x2)
• Gold or Silver decorative bands add to the attractive appearance of the trash can and allow for coordination with existing street furniture.
• Recessed to prevent vandalism.

7. Recessed Traditional Trash Legend (x4)
• Easily identifiable, with a traditional appearance.
• Recessed to prevent vandalism.

8. Removable Base Tray
Enables easy cleaning and prevents leakage and staining around the trash can. (Also hides the bait box area when required for pest control.)

Optional Extras

Domed Ashtray
A large capacity hood mounted ashtray, with the unique Glasdon Quick-Release™ emptying mechanism.

Domed Textured Stubber Plate
Offers a solution to cigarette waste and protects the hood of the trash can.

Neapolitan™ Trash Can

Featuring the Glasdon keyless locking system providing high security and easy emptying without the need for a key. The hooded design keeps out rain and strong winds.

Fixing Options
• Internal Concrete Ballast.
• Ground-Lock System.
• Ground Fixing Bolts.
• Concrete-in Anchor (adjustable depth).
• Flush Ground Fixing.

Materials
Body & base: Durapol.
Metal liner: Zinc-coated steel.

Dimensions
Container volume: 32 gallons
Liner capacity: 26 gallons
Height: 41”
Diameter: 24”
Weight: 42lbs

Colors
Millstone, Sandstone, Black.
Manufactured in the United States, Canyon is a traditionally styled trash can. With a large 50 gallon capacity, the need for frequent emptying is minimized. The open top design is perfect for outdoor areas where high volumes of trash need to be collected.

**Robust Construction**
Manufactured from robust Durapol material, Canyon is weather and vandal resistant. Durapol is a corrosion resistant material, offering exceptional strength and a long service life. The Canyon trash can contains a minimum of 20% recycled content and is recyclable at the end of its service life.

**Large Open Top Aperture**
The large aperture makes it easy for trash to be deposited. The fluted open top design adds to the aesthetics of the trash can and allows for quick and easy emptying.

**Graphic Options**
Choice of Gold or Silver Trash-it Graphics x 2 (one for each side).
Unique Ribbed Design
The ribbed design coordinates with the Glasdon Jubilee and Topsy Royale to create an aesthetically pleasing range of trash cans. The integrally molded ridges also prevent the adherence of posters and graffiti.

Durapol Liner or Bag Holder System
Canyon is available to purchase with a Durapol liner or a bag holder system. The solid liner ensures handling of trash is safe and easy for the operator. The concealed bag holder system offers a neat appearance and prevents the sack from snagging.

Fixing Options
• Ground Fixing Bolts.
• Ground-Lock System.
• Concrete-in Anchor (adjustable depth).
• External Ballast.

Materials
Container Body and Liner: Durapol. (contains recycled material)

Optional Extras
• Trash-it graphics.
• Decorative bands.
• Liner lock kit.
• Bungee bag holder system.
• Personalization.

Dimensions
Container volume: 50 gallons
Height: 35”
Diameter: 28.2”
Weight (with liner): 35lbs

Color
Black. (Other colors can be supplied, subject to a minimum order quantity.)
Everglade trash can is a heavy-duty, low maintenance unit, manufactured from ¼ inch thick Armortec™ coated steel, which offers outstanding strength and a long service life. Everglade is available as a 22 gallon or 36 gallon capacity unit, making it ideal for many outdoor locations.

**Design Features**
- Optional bag holder system.
- Reinforced base provides exceptional strength and vandal resistance.
Tulip style Everglade can hold up to 36 gallons of trash, minimizing the need for frequent emptying.

Everglade features a large open top design, which allows for the quick and easy disposal of trash. Everglade offers the choice of a bag holder system, a black Durapol liner (22G or 36G capacity) or a metal liner (22G capacity only). The liners come with the option of a stainless steel liner lock to provide extra security. The bag holder system neatly holds the bag in position within the trash can.

Fixing Options
- Concrete Foundation Fixing Bolts.
- Paving Fixing Kit.
- Concrete-in Anchor (Adjustable Depth).
- Ground-Lock System.

Materials
- Container body: Armortec-coated mild steel.
- Liner: Recycled Durapol (22G & 36G), Zinc-coated steel (22G).
- Fixings: Stainless steel.

Colors
- 36G Model: Black.

Dimensions
- **22G Model**
  - Capacity: 22 gallons
  - Height: 32"
  - Base diameter: 19"
  - Weight without liner: 79lbs
  - Weight with liner: 90lbs
- **36G Model**
  - Capacity: 36 gallons
  - Height: 32"
  - Base diameter: 28"
  - Weight without liner: 93lbs
  - Weight with liner: 102lbs

(Other colors can be supplied, subject to a minimum order quantity.)
**Topsy Jubilee™ Trash Can**

Topsy Jubilee is a traditional style trash container, manufactured in Durapol material with a smart textured finish. The trash can is available with ‘Trash’ lettering and bands in gold.

Fixing Options
- Internal Concrete Ballast.
- Ground-Lock System.
- Ground Fixing Bolts.
- Concrete-in Anchor (adjustable depth).
- Flush Ground Fixing.

Materials
- Body: Durapol.
- Metal liner: Zinc-coated steel.

Dimensions
- Container volume: 33 gallons
- Liner capacity: 29 gallons
- Height: 43”
- Maximum diameter: 22”
- Weight: 38lbs

Colors
- Standard color: Black.
- Non standard colors: Jubilee Green, Deep Green.

**Optional Extras**
- Cigarette stubber plate.
- Hood mounted ashtray.
- Firexpire™ fire extinguishing device.

**Wide apertures**
The trash can apertures are wide enough to accept 12” pizza boxes and other fast food packaging.

**Operator friendly**
When emptying, a full liner can be easily removed by lifting it only nine inches from the base.

**Reduced emptying frequency**
Topsy Jubilee’s 33 gallon overall capacity can reduce emptying frequency. This helps increase efficiency and improve operational cost control.

---

**Topsy Royale™ Trash Can**

The circular design of Topsy Royale creates a robust structure and provides ease of pedestrian flow when located in busy areas.

Fixing Options
- Internal Concrete Ballast.
- Ground-Lock System.
- Ground Fixing Bolts.
- Concrete-in Anchor (adjustable depth).
- Flush Ground Fixing.

Materials
- Body: Durapol.
- Metal liner: Zinc-coated steel.
- Molded liner: Durapol.

Dimensions
- Container volume: 32 gallons
- Liner capacity: 24 gallons
- Height: 42”
- Diameter: 21”
- Weight: 32lbs (with steel liner)

Color
- Black.
Nexus City 64G trash housing is ideal for waste collection in areas where a high volume of trash is created. This outdoor garbage can offers a secure waste chute and aperture flap that helps to keep trash secure as well as deter any pests or vermin.

Materials
Container body & door: Durapol.
Molded plastic liner: Polyethylene.
Bag holder system: Stainless steel.
Wheeled container: High-density Polyethylene.

Dimensions
Capacity with bag holder systems: 64 gallons
Capacity with wheeled container: 36 gallons
Height: 53 3/4” (Excl. hood)
Height: 61 5/8” (Incl. hood)
Width: 28 15/16”
Depth: 28 15/16”
Weight: 55lbs (bin)
143lbs (bin with ballast)

Color
Black.

Nexus 96G combines contemporary style with robust construction and will house a 64 gallon or 96 gallon wheeled container. Ideal for parks, recycling centers, parking lots and downtown areas.

Materials
Body & door: Durapol

Dimensions
Capacity: 96 gallons
Capacity with wheeled container: 96 gallons or 64 gallons
Height: 59”
Width: 32”
Depth: 42”

Color
Black.
Sherwood™ Trash Can

Sherwood trash can is manufactured from Everwood™ material, a unique, realistic wood grain polymer. Everwood material is vandal and weather resistant, it will not rot, warp or crack.

Fixing Options
- Concrete Foundation Fixing Bolts.
- Ground-Lock System.
- Concrete-in Anchor (adjustable depth).
- External Ballast Kit.

Material
Everwood.

Dimensions
Container volume: 20 gallons
Liner capacity: 17 gallons
Diameter: 22”

Open Top Model
Height: 28”
Weight: 30lbs (with steel liner)

Hooded Model
Height: 37”
Weight: 36lbs (with steel liner)

Colors
Light Oak, Dark Oak.

Topsy™ Trash Can

Purpose-designed for easy emptying without the need for strenuous lifting. The whole body lifts off the base, the liner then requires only a short lift.

Fixing Options
- Internal Concrete Ballast.
- Ground Fixing Bolts.
- Concrete-in Anchor (adjustable depth).
- Flush Ground Fixing.
- Ground-Lock System.

Materials
Body: Durapol.
Metal liner: Zinc-coated steel.
Molded plastic liner: Polyethylene.

Dimensions
Container volume: 29 gallons
Liner capacity: 24 gallons
Height: 39”
Diameter: 22”
Weight: 33lbs (with steel liner) 29lbs (with plastic liner)

Colors
Standard colors: Red, Dark Blue, Light Green, Black.
(Other colors can be supplied, subject to a minimum order quantity.)
Community™ Trash Can

Community holds up to 34 gallons of trash, reducing the need for frequent emptying.

Fixing Options
- Internal Concrete Ballast.
- Ground-Lock System.
- Ground Fixing Bolts.
- Concrete-in Anchor (adjustable depth).
- Flush Ground Fixing.

Materials
Body: Durapol.
Metal liner: Zinc-coated steel.

Dimensions
- Container volume: 34 gallons
- Liner capacity: 29 gallons
- Height: 42"
- Diameter: 20"
- Weight: 34lbs

Colors
Standard colors: Millstone, Sandstone, Black.
Non standard colors: Red, Yellow, Light Blue, Dark Blue, Light Green, Deep Green, Light Gray.

Glasdon Orbit™ Bag Holder

Glasdon Orbit bag holder is highly robust, with a strong bag holder unit which securely holds the bag neatly in position. Glasdon Orbit is manufactured in Durapol vandal resistant material.

Fixing Options
- Post mounting kit (post not included).
- Wall mounting kit.
- Surface mounted post.
- Freestanding post.

Materials
Body & lid: Durapol.

Dimensions
- Capacity: 29 gallons (depending on bag size)
- Height (without lid): 5"
- Height (with lid): 7"
- Diameter: 16"
- Overall depth: 18"
- Weight: 5lbs (with lid)

Colors
Black, Gray.

Also available as a recycling container
**Combo Delta™ Trash Can**

Combo Delta is a 37 gallon capacity, easy to use funnel trash can with a large aperture hood for weather protection.
