& More Sustainable  
Environment

# Water Safety Rescue Equipment

Help keep your environment safe and well protected with water safety equipment from Glasdon. Highly visible and resilient for a long service life, Glasdon ring buoy stations prevent theft and vandalism and are easy to position in any area where open water poses a danger. Our versatile life jacket boxes are designed and constructed with aesthetics, practicality and durability in mind to keep your vital, life-saving equipment well protected.

Guardian™ Life Ring Cabinet

**NEW** Guardian Short Angled Post Kit

## Ropemaster™

The Guardian life ring cabinet incorporates our purpose-designed Ropemaster, which allows the buoy and rope to be removed from the cabinet in one movement using only one hand. This quick release system could save valuable seconds during rescue attempts.

**HAS** been opened.

## Usage Indicator

The usage indicator allows for quick and easy inspection of the life ring cabinet, helping to minimize maintenance.

This inspection aid is easy to reset after the housing has been opened.

## Alarm Installation Kit

**NEW**

Optional security features include an Alarm Holder, used to fix a theft alarm or anti-tampering alarm to the cabinet to prevent vandalism or theft of life-saving equipment. The standard alarm holder can fit alarms up to 2" deep with a width of 5.9" and height of 5.5". If you require an Alarm Holder for an alarm with a depth greater than 2" and up to 4.7", please contact us today.

Please note: alarm is not included.

Nestor™ 106G Life Jacket Storage Box

Slimline™ 42G Life Jacket Storage Box

Nestor™ 106G Life Jacket Storage Box

Nestor™ 106G Life Jacket Storage Box

## Why choose a life jacket box from Glasdon?

Available in a slim and compact 42 gallon version or an extra-large 106 gallon option, both the Slimline™ and Nestor™ life jacket boxes make up part of the Glasdon water safety range.

### Teaming eye-catching aesthetics with long-term durability...

There's no denying that the striking, bright-red color of our life jacket storage containers are useful in an emergency, as they help easily locate your vital, life-saving equipment in an emergency, but that's not all our containers have to offer.

The Nestor™ 106G Life Jacket Box, for example, has a uniquely designed lid, which can fully rotate, enabling quick and easy access to the valuable, life-saving equipment stored inside.

If space is more of a premium at your water-side environment, the Slimline™ 42G Life Jacket Box is a great alternative. The narrow footprint of Slimline life jacket boxes allow them to be conveniently sited on narrow walkways, docks or marinas, whilst still offering a generous 42 gallon holding capacity.

### Security and adding that individual touch...

We appreciate that investing in a life jacket box is a serious responsibility, and the main priority is keeping your life jackets and safety equipment secure and well protected. To assist on this front, we offer the option of a lock to our life jacket storage containers, providing that extra level of security and peace of mind.

## Life Rings

USCG Type IV approved Glasdon life rings are an ideal buoyancy aid for use around any location where there is a drop to the water. The life rings are available in a 24" or 30" size and can be stored in the protective Guardian life ring cabinets.

Guardian 24" with 24" Life Ring

24" USCG Approved Life Ring with 100' Rope

30" USCG Approved Life Ring with 100' Rope

# Outdoor Trash Cans

Glasdon outdoor trash cans are designed in a choice of sizes, colors and styles, providing waste management solutions that will complement any landscape. Constructed from durable materials, these trash cans include low-maintenance plastic trash cans, designed to resist the effects of adverse weather conditions, corrosion and vandalism.

Glasdon Jubilee™ 29G Trash Can

Glasdon Jubilee™ 29G Trash Can

Glasdon Jubilee™ 29G Trash Can

## Which Glasdon Jubilee™ Trash Can is the Perfect Fit for Your Environment?

When it comes to disposing of trash, we appreciate that different locations have different needs. Whether you require a larger capacity outdoor trash can for areas with high volumes of waste, or a more streamlined option for areas where space is a little more limited, Glasdon Jubilee Trash Cans provide an all-round solution.

### Choose from the XL Glasdon Jubilee 80G or the more compact Glasdon Jubilee 29G

If you're looking for a large-capacity, polymer waste container, which has been specially designed for areas with high amounts of footfall traffic and trash hotspots, choose the Glasdon Jubilee 80G Trash Can.

If you're looking for a slightly more compact trash can, which still provides a durable, easy-to-maintain exterior alongside a traditional yet contemporary design, choose the Glasdon Jubilee 29G Trash Can.

The Glasdon Jubilee 29 Gallon Trash Can still offers all the impressive attributes of the 80G version, but on a more refined scale.

Nexus® 13G Recycling Bin

C-Thru™ 50G Recycling Bin

New Nexus® Transform is a step forward in Waste Separation.

The latest addition to the Glasdon range is changing the face of how we recycle.

Entirely customizable from aperture color to waste type, the **Nexus Transform** is a stylish, robust and versatile multiple-waste-stream recycling station. Choose from a range of colors, sizes, configurations and apertures such as cup recycling and confidential waste. Our team of in-house experts will help you meet your specific waste management requirements.

A narrow footprint makes Nexus Transform the perfect fit for a wide variety of environments such as shopping malls, educational campuses and offices, where floor space is at a premium. Its contemporary, symmetrical design also allows Nexus Transform to be approached from all angles.

Decals are easily applied onto either of Nexus Transform's large sides for a touch of added personalization. Further flexibility can be added with an extensive list of optional extra features from wheels and lock kits to sign kits and aperture connector kits.

Here's what JD, Vice President of Sales at Glasdon, Inc. has to say:

*"We're very excited about the launch of Nexus Transform. It's set to become one of the most versatile recycling solutions on the market. With so many flexible options, our customers can choose their own configuration, colors and decals to best fit their needs. What we have found is that our customers' recycling needs are transforming and this product allows our customers to adapt to those needs."*

## NEW Nexus® Style Range

The **Nexus Style** is a premium finish indoor recycling container aimed at offices and commercial environments which has the ability to accept vinyl wraps on the door to match interior décor.

Manufactured from an Armortec™ coated steel frame and Vandalex™ aluminium door extrusion, the Nexus Style combines functionality and strength with contemporary styling. The unit is designed for single-sided use featuring front door operation and a flat back. The Armortec-coated steel frame and bin body panels are 100% recyclable, making the Nexus Style recycling bin an environmentally friendly indoor recycling container.

The Nexus Style recycling bin has a striking design that provides a long service life and requires minimal maintenance. The Vandalex door has an anodized and polished graphite finish, contrasting with the Armortec-coated metallic gray steel frame to create an attractive, modern appearance. The smooth door offers a large surface onto which a collection of full vinyl wraps can be added to create a custom look.

If you wish to find out more about the decal options available for the Nexus Style range or would like to see how your chosen product would look with custom decals before ordering, please request a quote today.

## Cigarette Receptacles

Glasdon designs and produces a range of cigarette units which can be situated in outdoor smoking areas, outside buildings, parks and sidewalks. Within our range of cigarette waste containers, there are units that can be wall mounted as well as free standing. Having a cigarette unit mounted to a wall takes up very little space, making it perfect for narrow footed areas. Help to reduce the cost of cleaning up cigarette butt litter for your organization by installing a cigarette ash receptacle.

## Guide To Personalization & Branding

Personalizing our products is a popular choice among our customers and adds that personal touch to your waste management and recycling program. It is also an effective way of communicating your waste reduction messages and enhancing your facility.

Our experienced sales team will advise you on the personalization options of your chosen product. We can also send you examples of some of our tried and tested visuals for a little inspiration.

### Step 1. Choose from a wide range of products and personalization options including:

Branding, corporate color schemes, bespoke waste streams, campaign messaging and changeable poster kits.

### Step 2. Selecting Standard Options

Many of our products offer standard decals and poster kits to choose from at the point of ordering. Simply select the option you require from the drop-down menu on our website, or contact our sales office for more information.

### Step 3. Looking for Something Different?

If you would like to adapt a standard option by changing decal colors and waste streams, include an element of branding, or create something completely unique, we can help. Our Sales team will be happy to learn more about your project and requirements. We will work with you to achieve the finish you require.

## Step 4. Free Visualization Service

Our sales team will then liaise with our in-house graphics team to prepare a visual of the product with your chosen personalization, which you're able to review and make changes to if required.

This is a free service offered to all Glasdon customers.

## Step 5. Artwork Approval

We are committed to making sure the end result is exactly right for you. When you are completely happy with the visual and have agreed any of the additional production costs, we will finalize and deliver your personalized order.

## Helping you create impact, extend your brand and add value for your customers and visitors.

For a unique personalization service with a quality by design finish... talk to us today!

# Animal-Shaped Trash Cans

An animal-shaped trash can is an ideal solution to help encourage young children to dispose of their trash correctly in both indoor and outdoor environments. The fun and colorful nature of the trash cans means that they are able to complement all areas for children. You can also personalize our animal-shaped trash cans to feature your company logo, color and message.
